

Digital Library Resources for High School Students

Web Resources for Students:

Destiny – Online Library Catalog – Search for library books; link to other library resources.

<http://destiny.conestogavalley.org>

LibGuides – Research assistance to get students started; includes subject guides and guides for specific assignments

<http://cvsd.libguides.com>

Access all online resources below from the CVHS Library Home page:

<http://destiny.conestogavalley.org>

ABC-CLIO – History related databases with original content

Bloom's Literature – Critical essays, biographies, character entries, and synopses of literary works

CultureGrams – Provides a variety of information about countries, states, and provinces

EBSCO – Databases of magazines, academic journals and newspapers, also *Consumer Health Complete*, *Auto Repair*, and *AP Images*

Facts on File – Helps students investigate present day and historical issues and controversies

Gale Resources – Databases and eBooks for research – includes *Opposing Viewpoints*, *Student Resources*, *Science in Context*, *Gale Virtual Reference Library*, and *LitFinder*.

World Book – Reliable background information can be found in both online encyclopedias, *World Book Advanced* and *World Book Discover* (at a lower reading level)

POWER Library – Databases for research (Requires a public library card to use at home)

<http://www.powerlibrary.org>

*** Check with your librarian for usernames and passwords to use databases at home.

The passwords we use for all library resources!!! HINT: It's as easy as 123 and GO BUCKS!!
